<p>BEST IN SHOW & BEST PUPPY IN SHOW WILL BE JUDGED AFTER CLASS 21</p>
--

A few words from the Judge **Christine Casling**

I was first introduced to the Lhasa Apso some 22 years ago when a friend needed to re home her Lhasa due to her husband's dislike of the dog, perhaps she would have been wiser to re home him!

At the time I was busy showing Rough Collies and only decided to have a go at showing the Lhasa when the collies were out of coat. I produced a litter in 1992, sired by Marbledale Esquire with Larool and retained a black/gold bitch which I named Barely Decent for Meranne (Guinness) as she was known became my first show Lhasa and gained her J.W. One of the early shows I went to was the N.O.E.L.A.C. Open Show in 1993 and managed to gain 2nd place, but after instructions on how to handle the Lhasa won two 1sts. In the next two classes, wow!

I have not shown the breed extensively but have won several 1st places at Championship Shows and B.P.I.S. Also have managed to gain 2RCC's. I have no colour preferences having owned most colours, The most important thing to me is a sound dog with true Tibetan character. I award CC's in Rough Collies and have also judged several Utility Groups at Open Show level both at home and abroad. I am very honoured to have been voted by the members to judge this show.

 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.
